## INCREASE WILL BE OVER MILLION

Added Appraised Value of Taxables  
In Rush County This Year Will  
Run Into Seven Figures

### A DECREASE IN TWO TOWNS

With All But Two Townships Re-  
porting, Increase Now Amounts  
To \$910,565—Average \$82,769

With the reports of all but two township assessors in the hands of the county auditor, it is revealed that the increase in the appraised value of real estate and personal property in Rush county this year will amount to over one million dollars.

The assessors of Posey and Noble townships have not yet made their reports. In all but Carthage and Glenwood, a big increase in the taxables is noted. The total added value in the ten townships in which reports have been made—excluding Carthage and Glenwood and including Rushville—is \$910,565.

Since the average increase in taxables, as compared to last year, in ten townships and the city of Rushville, on which there are reports at hand, amounts to approximately \$82,769 for each township and corporation, it is plainly the case that if the two townships out hold up to the average, that the increase will run over a million dollars.

On the other hand, the decrease in appraised values in Glenwood and Carthage amounted to only \$7,335—\$4,905 in Carthage and \$2,430 in Glenwood. This loss is not great enough to offset the increase to any appreciable amount.

The assessors were instructed to make an advance of ten per cent in real estate and in all the townships, with the noted exceptions, this has been followed. The total taxables by townships and corporations follow.

## GRANTS ONE AND REFUSES ANOTHER

Judge Sparks Hears Two Divorce

Cases in Court Today, Taking  
Different Action in Each.

### CLARA B. FLOYD GETS DECREE

Judge Sparks granted one divorce today and refused another. Bertha M. Smith was refused a divorce from Walter S. Smith. The court found for the defendant and taxed the costs against the plaintiff. They are residents of Walker township and on the day that the case was heard the court intimated that divorce would likely be refused unless more evidence was before the court.

Clara B. Floyd was granted a divorce from William A. Floyd and given the custody of their three children. Mrs. Floyd alleged cruel and inhuman treatment and failure to provide. She testified that her husband would remain away from home many nights at a time and would walk the streets most of the nights. He also objected to her going to church. She stated he would give her no satisfactory reason as to why he would remain out at night. The decree was to be entered upon payment of the costs.

## TWO ROUTES PICKED FOR DIXIE HIGHWAY

Compromise Announced by Commis-  
sion Whereby Both Cincinnati  
and Louisville Win.

### SOME CHANCE FOR RUSHVILLE

(By United Press.)

Chattanooga, Tenn., May 22.—The Dixie highway will run from Indiana to Chattanooga by two routes, one through Cincinnati and the other through Louisville. The northern route is not yet decided. This was the compromise announcement of the fourteen Dixie highway commissioners this afternoon.

It was predicted that Carl Fisher who is advocating a direct route between Miami and South Bend, would lose his fight because of many influences brought to bear. Fisher declared that the delegates were building political fences instead of roads, and he threatened to withdraw.

The wording of the above dispatch indicates that Rushville has a chance at the Dixie highway, since one route will be by Cincinnati. Two routes from Cincinnati to Indianapolis have been proposed, one by way of Rushville and Brookville and the other by way of Shelbyville and Greensburg.

## HOSPITALITY NOT LACKING

Visiting Sixth District Club Women  
Pleased With Entertainment  
Afforded Them Here.

### RESOLUTIONS SOUND PRAISES

Recommend Formation of More Ci-  
vic, Literary, Home Economics  
and Mothers' Clubs.

The last of the club women here for the eight annual meeting of the Sixth District Federation of Women's clubs departed for their homes yesterday evening and this morning thoroughly pleased with the entertainment of the Rushville club women and satisfied that there was no hospitality lacking here.

The resolutions adopted here before closing yesterday afternoon expressed in highest terms the appreciation of the visitors for the entertainment accorded them, praised the new high school building and all persons who had contributed their share to make the convention a great success.

There is no doubt in the minds of those who managed the convention that the bad weather kept at least a hundred visitors away. Any number of women sent word that it would be impossible to come because of the rain. It is known that many automobile parties from surrounding counties did not attend the last day for that reason.

Much of the credit for successfully managing the convention arrangements is given to Mrs. Guy Abercrombie, the county chairman. She, with the aid of efficient committees, arranged for the entertainment of the guests, and not one fault was to be found by anyone. Mrs. Abercrombie said yesterday that she appreciated the efforts of everyone because in no case did persons who had promised machines and who had agreed to entertain guests fail to keep their promise when the time came.

The resolutions adopted by a unanimous vote just before final adjournment yesterday afternoon were as follows:

"We, the members of the Sixth District Federation of Clubs, assembled in Rushville May 20—21, 1915, submit the following:

"Resolved that we recommend the organization of more Mother's Clubs, Parents—teachers associations, home economics, literary, civic and musical clubs.

"Resolved that we more faithfully support our chairman by carefully and promptly replying when asked for data relating to club activities, and that we will earnestly and enthusiastically co-operate with our leader.

"Resolved that we use our influence in our own home counties, so that more members may be obtained for this federation,

"Resolved that we work for a more sane Easter, Memorial Day and Fourth of July.

"Resolved that the women of the sixth district sincerely deplore the fact of the temporary set-back of the suffrage movement in our last legislature owing to the machinations of politicians, and that we are determined to triumph eventually.

"Resolved that we care for our advanced Housing bill and not allow it to be weakened or qualified by future legislation.

"Resolved that we so far as possible conserve the natural beauty of our own neighborhoods.

"Resolved that we encourage the advance of the work among the blind of our district and so far as

## LOCAL INTEREST IN BRAZIL CASE

Public Service Commission Gives  
Municipal Plant Water Rate  
Lower Than One Asked Here.

### MAKES OFFICIALS THINK

Also Holds City May Pay For Water  
Extensions Instead of Con-  
sumer, as Done Here.

An order issued yesterday by the Public Service Commission providing for a reduction in water rates now charged by the city of Brazil is of interest here in that Rushville has a petition pending before the commission asking for an increase in water rates.

The rate granted Brazil is lower than that asked by the city. The Brazil case is the first municipal utility to be passed upon by the Public Service Commission, and in lowering the rate, officials here today were wondering just what show Rushville had of getting an increased rate.

Under the new schedule of rates given to Brazil, the average makes about \$1.68 a thousand cubic feet. In the petition filed by the City of Rushville the rate is asked to be increased from \$1.50 a thousand cubic feet to \$1.85 a thousand cubic feet. The old rate in Brazil was from five cents to twenty cents, ranging according to the maximum of water used.

The ruling in the Brazil case states that the city is not longer to receive free water, though taxes have been raised to help defray the expenses of the plant. The commission ruled that the city must pay a definite sum from its general fund just the same as a private consumer. The commission fixed \$41.80 as the yearly price the city must pay for each fire hydrant.

This will in no way effect Rushville as this system has been followed ever since the present administration came in power. In the monthly report of Superintendent Mahin the city is charged with so many fire hydrants at the rate of \$48 a year. Everything used by the city is charged just as though it were a private consumer and in this way the money is transferred from one fund to the other. Of course, the city does not actually pay out the money but gives the plant credit for earning this amount.

In the Brazil case the commission held that all public, private and Parochial schools, churches, court house and jail should get water through meter but agreed to let the flat rates stand providing the city was willing. This part of the commission's order has already been put in force here as the jail, court house and other public buildings have all been equipped with water meters.

One ruling in the Brazil case will hit Rushville. This is in regard to the city paying for all water extensions. In Rushville here of late the consumers have been compelled to pay for water extensions and water taps.

### ARRESTED IN GREENSBURG.

Charles Land, of Milroy, when ordered to go on home by a policeman in Greensburg Thursday night, wanted to argue the matter with the officer and was arrested. He was fined one dollar and costs yesterday amounting in all to \$12. Land stated to the Mayor of Greensburg that he bought his booze of a man on the streets but had a poor memory and could not recall the man's name.

Jethro Meek, brother of Mrs. A. C. Brown, of this city is seriously ill with erysipelas at his home in Greensburg.

## BARNES WILL APPEAL CASE

Will Take Libel Case to Higher  
Court, he Says Today.

(By United Press.)

New York, May 22.—William Barnes will appeal from the Syracuse decision in his libel suit against Theodore Roosevelt. His attorneys today issued a statement to that effect.

"The knowledge of the complete rectitude of my conduct must content me—which after all is the most important thing in life," so declared a formal statement from Barnes today.

## 42 HOURS TO DECIDE BARNES IS A "BOSS"

Jury Finally Returns Verdict in Libel  
Suit Today, Finding For Colo-  
nel Roosevelt.

### DECISION BIG SURPRISE

(By United Press.)

Syracuse, N. Y.—William Barnes is a "boss." A jury so declared today in awarding a verdict for Colonel Roosevelt in the \$50,000 libel suit brought against the former president by Barnes because Roosevelt branded him a "boss" and linked politically with crooked business and corruption.

The verdict was brought in shortly after 10 a. m. today. The jury had been deliberating since 3:45 p. m. Thursday—about forty-two hours. The twelve men finally arrived at a unanimous decision after a legal mix-up almost unparalleled in the history of New York state.

The verdict was a blow to Barnes, and a complete surprise to Colonel Roosevelt. It was the common belief around the court room that the jury would report failure to agree and be discharged by Justice Andrews today. The foreman's announcement struck the Barnes camp a stunning blow.

The colonel could not restrain his joy. He made a short speech to the jurors, expressing his thanks and then posed for a picture taken in the jury room.

## DECLARATION MAY BE MADE BY NIGHT

King Emanuel Begins Preparation of  
Document Which is Believed a  
War Proclamation.

### WILL INVITE PEOPLE TO HELP

(By United Press.)

Rome, May 22.—Italy's war declaration will go flashing on its way to Vienna before night, according to a well defined rumor credited in diplomatic circles today.

The king called in his private secretary and began preparing a document to be addressed to the people of Italy. It was believed the document will be a proclamation of war signed by every member of the cabinet explaining how Italy was compelled to resort to arms in order to safeguard her national honor and integrity.

The royal proclamation will invite the people of Italy to perform their duty in the national crisis and to make all possible sacrifices to insure victory.

King Victor Emanuel this afternoon attached his seal to the bill passed by both chambers of parliament giving the government full power to act.

## IMPOSED ON A RUSHVILLE MAN

Chester C. Ward, who is under Ar-  
rest at Crawfordsville, Filched  
\$20 From Local Friend.

### DUPES FRATERNITY BROTHERS

Also Finds Old Indiana University  
Acquaintance at Newcastle And  
Serves Her Same Way

That a prominent Rushville man was one of the dupes of Chester C. Ward, a Sigma Chi at Indiana university, who used his membership in the fraternity to get into the good graces of prominent persons in several cities in Indiana, was learned today.

Ward has been arrested at Crawfordsville. His home is in LaPorte and he is said to have come from an excellent family. Investigation today proved that Rushville banks had received a warning from the Indiana State Bankers association warning them to be on the lookout for Ward, who is described as being 24 years of age; five feet, ten inches high; weight 150 pounds; smooth face; brown hair.

The name of the Rushville man who cashed a check for twenty dollars for Ward was not disclosed, but if ten guesses were allowed, it would not take long to name the right man, it is said.

Ward was arrested at the Sigma Chi fraternity house of the Wabash college chapter at Crawfordsville on the charge of obtaining money under false pretenses. It is said that he has been missing from his home for three months. Many checks have been returned to the LaPorte National bank, and until lately, dispatches say, Ward's mother has been making the checks good.

It was stated today that the Rushville friend had charged the \$20 up on the expense side of the ledger and "closed the account," and that he did not care to have his name mentioned in connection with the transaction.

It seems that \$20 was a favorite sum for Ward to filch from his newly made friends. He not only imposed on fraternity brothers, but on old acquaintances as well. He was a Sigma Chi, it seems, at Indiana university, and there became acquainted with Miss Edith Gronendyke, of Newcastle, a young woman who is well known here.

Ward just "happened" into Newcastle last Saturday and paid Miss Gronendyke a friendly visit. They chatted of old times at I.U. until Ward broached the subject of cash, according to the story as repeated in the Newcastle Times. Ward explained.

## DECISION MAY AFFECT CASES

Supreme Court Asked to Pass On Question of Suspending Sentences Indefinitely

### WRIT AGAINST KILLETT'S

Would Compel Federal Judge to Execute Sentence—Several Before Judge Anderson

(By United Press.)

Indianapolis, May 22.—Attorneys here viewed with interest the action of the Solicitor General in Washington asking for the supreme court for a writ of mandamus against Judge Killett of Toledo to compel him to execute a sentence he suspended indefinitely. The decision of the supreme court may effect many cases in Judge Anderson's court.

Recently the attorney general ruled that a federal judge may not suspend a sentence but must execute each one. It has been Judge Anderson's custom to suspend sentence under certain circumstances. The attorneys ruling came at a time best calculated to throw terror into the hearts of the scores of men under charges in federal court, for it came after the 88 Terre Haute conspirators had turned government evidence and pleaded guilty, and before the trial and the sentences.

The eighty-eight conspirators pleaded guilty under the belief that most of them would draw suspended sentences. When the news was flashed to Terre Haute of the opinion of the attorney general these men were frightened. Some persons even went so far as to insinuate that the attorney general was not entirely in sympathy with the Terre Haute prosecution. It was considered possible that his ruling might handicap District Attorney Dailey in obtaining evidence.

Judge Anderson suspended sentence in a case soon after Attorney General ruled, and the conspirators breathed again. However when the conspirators came before Judge Anderson for sentence only one drew suspension.

### RESOLUTIONS OF RESPECT.

The Ben Davis Creek C. W. B. M. Auxiliary has, by the hand of Providence, been bereft of one of its first and its oldest members, Mrs. Margaret Daubenpeck, and in view of the loss we have sustained, and the still greater loss of those nearest and dearest to her, therefore be it,

Resolved, That in her death our society is bereft of one who lived to bear the burdens of others, and so fulfilled the law of Christ; her words of cheer and her readiness to aid in the uplift of the gospel of Jesus Christ will ever be cherished by this society.

Resolved, That we bow in submission to the all wise Creator, knowing that our loss is her eternal gain. She has passed from this earthly life into that celestial home above, to be ever present with the Savior whom she loved and honored by her christian life.

Resolved, That a copy of these resolutions be placed upon our records and copies sent to the sorrowing ones.

Joseph Santley in a rollicking musical fantasy, employing a company of over seventy-five people, "All Over Town" will come to the Murat for four performances only, Monday, Tuesday and Wednesday May 24, 25, 26 with popular matinee Wednesday.

"All Over Town" is in two acts and nine scenes and is presented under the auspices of the Shubert Theatrical Company. The book of the piece is by Santley, the lyrics by Harry B. Smith and the music by Silvio Hein. Mr. Smith and Mr. Hein have provided twenty-two musical numbers for "All Over Town." The piece has been staged by J. C. Huffman, the dances arranged by Jack Mason, of the Winter Garden, New York, and the costumes designed by Melville Ellis.

Mr. Santley's first appearance in a musical play was in support of De Wolf Hopper in "A Matinee Idol." On account of his delightful personality excellent singing voice and great ability as a dancer he won instant success. He then appeared with Lew Fields in "The Never Homes" and in the run of "A Modern Eve." He then became the star of "When Dreams Come True," which enjoyed three years of unusual prosperity. Previous to his appearance in musical comedy Mr. Santley was the idol of melodrama, appearing in such thrillers as "From Rags to Riches," and "Billy the Kid." He has been on the stage since he was six years of age and at nine was billed as "The Greatest Boy Actor in the World." That Mr. Stanley was able to live down his terrible past was greatly to his favor.

It is a big and important company which will support him in "All Over Town." The leading comedians are Walter Jones and Roy Atwell. Other important members of the cast are Marie Flynn, Beatrice Allen, Blanche Deyo, Richard Tabor, Ruth Randall, Saranoff, Lillian Lee, Williams and Wolfus, Dorothy Young and Charles Morgan. "All Over Town" is described as being "rollicking rhapsody of fun and frolic, with a drove of delectable dancing divinities."

**SNOWED 32 YEARS AGO.**  
 There was about twelve inches of snow on the ground just thirty-two years ago today. Many older residents of the city recall that on May 21, 1883 a heavy snow fell and astonished the people of the city just as much as it would now were a heavy snow to fall today. The fruit and garden truck were farther advanced than now, but but they were not advanced to any great extent because the snow melted in a day.

and Mr. Clark Stough receiving the prizes. In conclusion to the delightful evening of cards a most delicious lunch was served.

For the remainder of the evening Mr. and Mrs. Pugh furnished the entertainment. Mr. Pugh is well known to Newcastle people having appeared here several times before.

### Wilson Displeased.

The President has refused to furnish the Industrial Relations Commission with the correspondence which he had with Governor Ammons of Colorado regarding the strike in the coal regions of that state; and it is hinted that Mr. Wilson is seriously displeased with the farcical very effective result. Chairman Walsh has carried on the work of the Commission.

It is doubtful however, if the presidential displeasure will reach any very effective result. Chairman Walsh long ago demonstrated his unfitness for the place which he occupies and he already has heavily discounted any conclusions which the Commission may report by his constant habit of prejudging the testimony of witnesses whom he has summoned to appear. The complaints against the Commission's procedure have been numerous, and some that have reached the White House have come from sources which may not be readily ignored. The President is known, however, to take a keen interest in the Commission's personnel and it is most unlikely that he will resort to the obvious method of disciplining Walsh by the abolishment of the board. Walsh has a brother who is Senator from Montana, and the ex-

perience with the ship purchase bill shows that the White House cannot afford to alienate the support of any more senators on the Democratic side of the chamber.

## HOSPITALITY NOT LACKING

Continued from Page 1.

possible give hearty co-operation. "Resolved that we unite in sincere thanks to the club women of Rush county for the generous hospitality of their homes and for the use of high type of school structure, beautiful in design, commodious, convenient and thoroughly up-to-date in all matters pertaining to the health, comfort and well being of the rising generation who will reap rich benefits from it. Also for the bountiful luncheon served by the women of the Methodist and Christian churches, the tea at the home of Mrs. James E. Watson, and for the exquisite music, both vocal and instrumental, the readings by Miss Frazee and all who contributed in any way to the success of the program.

"Resolved that we thank the men of Rushville for the use of their automobiles to and from the meetings. "Resolved that we thank Mrs. Watson for opening her beautiful home for our pleasure; also those who so graciously assisted her in entertaining her guests and dispensing her hospitalities.

"Resolved that we extend our thanks to our state president, Miss Newsom, and that we again are glad to be greeted by our beloved Mrs. McWhirter.

"Resolved that we thank Mrs. George E. Mullin for expressing what is in our hearts in her beautiful memorial to Mrs. Angie Hamilton.

"Resolved that we vote this federation the best of all and lastly thank our officers, Mrs. T. B. Henley, chairman and Mrs. O. L. Stivers, secretary-treasurer, and Mrs. Guy Abercrombie, chairman of Rush county, for all their labor in making this the successful meeting it has been."

Clara Macy Egan of Liberty and Josephine McKee of Newcastle were the members of the resolutions committee.

Mrs. W. W. Thornton, of Indianapolis, head of the public nursing work in Indiana, spoke yesterday afternoon just before adjournment. She urged visiting nurses not only for towns and cities, but for the rural communities as well. If there is none in any given place, she said, two or more women's clubs might combine and procure a visiting nurse. She said any two towns, as, for instance, Rushville and Carthage, with a rural community in between, might co-operate in employing a rural nurse.

Mrs. E. K. Montgomery, of Shelbyville, chairman of the state federation committee on work for the blind, urged district organizations in the work.

She asked that the club women co-operate with the legislature in securing legislation for blind. The sixth district federation went on record as endorsing the movement to help relieve the conditions of the blind and

build a home for the adult blind in the state. One hundred and twenty-eight women arose when they were asked to pledge their moral and financial support.

The memorial was voted for Mrs. J. M. Hamilton, deceased, twice sixth district chairman and holding that office when she died last February. The proposal was made by Mrs. Frank Craft of Liberty yesterday morning and not acted on until the afternoon. It requires the contribution by each federated club woman of five cents to make up \$100 to place Mrs. Hamilton's name on the founders' list.

Miss Blanch Foster who covered the meeting for the Indianapolis News and who has a distinguished part in women's club work in Indiana in the last few years, spoke briefly of the Women's Press Club, a comparatively new organization, and of the Women's Legislative Council, with which work she is intimately acquainted. Miss Foster said the newspaper men were not sufficiently interested in women's clubs' work and that their attention should be attracted.

"The Indiana Women's Legislative Council did not accomplish anything in the last legislature," said Miss Foster, "but they paved the way for next year."

She asserted that it required the liquor power in the state to crush the woman's movement in the legislature. Miss Foster was elected first vice-president of the organization formed at the recent non-partisan newspaper conference at Bloomington.

Mrs. Felix McWhirter extended an earnest invitation to the sixth district club women to attend the next annual meeting of the state federation.

There were some excellent musical numbers on the program yesterday. "The Feast of the Little Lanterns," which was given by the Rushville Musicales yesterday afternoon, was most thoroughly enjoyed and loudly applauded. Yesterday morning Miss Jessie Kitchen and Miss Norma Smith played a piano duo and Miss Leona Thomas of Arlington played a violin solo. Mrs. Veri Bebout acting as accompanist. Miss Helen Gause, of Carthage, who was on the program for a solo, was unable to be present and Mrs. Derby Green of this city, sang in her place. Mrs. D. H. Dean acting as accompanist.

There were just two hundred registered. Every woman attending from outside of Rushville was asked to register, and the delegates from the three Rushville federated clubs also placed their names on the registry. The complete registration is as follows:

Mrs. A. Walters, of Richmond; Mrs. Birely, Miss Eva Wingate, Mrs. O. V. Headlee, Mrs. C. W. Calvert, Mrs. T. B. ## Selling Is MORE than Trading Stock for Money!

Selling is part of the scheme of business. Most anyone can sell once, but selling so you can create permanent customers is selling successfully. That is why we carry the large stock of buggies we have on our sample floor for prospective customers or purchasers to make their selections from. They don't have to take something they don't want, as we carry every style of buggy that there is a demand for. Then after the customer has made his selection from our stock we tell him exactly what the buggy is and it has to be just as we represent it or we make it that way. The customer takes no chances. He is sure to get just what he pays for. ONE sale reduces itself to a confidence game unless the buyer is perfectly satisfied. Satisfaction sends a customer away with a smile that won't come off. That is why our buggy business has grown. We have found out how to hold customers after we get them and every satisfied customer is bound to bring a new customer sooner or later. Right now our stock of buggies is complete and if you are needing a buggy come in and make your selection. We have the style you want and we would be glad to have you for one of our satisfied customers. We know you will be glad when you give us your vehicle business, so do it now.

# NAVY BOUTS ARE REAL THRILLERS

Two Championship Contests Recently Pulled Off in New York Were Some Fights

MICHIGAN GOT WINNERS

Battlers Are Forced to Defend Titles And Must do so on Thirty Day's Notice.

BY HAL SHERIDAN  
(Written for United Press.)  
New York, May 22.—Lawmakers planning to enact statutes permitting boxing would do well to pay a visit to the Atlantic fleet and learn how the little game fisticuffs is conducted in the navy. Boxing promoters who want to stage real fights also would do well to make similar trips. And Old General Public, if he wants to see a regular scrap, should look up the date of the next championship fight in the navy and engage himself a ringside seat. He'll see a fight that is a fight.

New York got a demonstration of boxing as it should be when the Atlantic fleet visited the Big Town recently. Two championships—feather and light heavyweight—were decided in one afternoon. Sam Taylor, of the Michigan, lambasted M. Davis of the New Hampshire, for the light heavyweight title. The Featherweight belt went to Dennis Whalen of the Michigan, who whipped Joe Fisher of the South Carolina.

There are many peculiar features about boxing in the navy. In the first place they are limited to six rounds. The rounds are of but two minutes duration instead of three as in most professional bouts in America. There are decisions but they are not given by the referee. Two judges—officers selected from other ships—sit at the ringside and decide upon the winner.

Championships are big things in the navy. They've got to fight or give up the title.

If more than one challenger appears on the horizon at the same time elimination bouts are held to determine who shall meet the champion. A regular belt goes with the championship in each class. In addition to this a \$50 purse is hung up at every fight.

When a champion or challenger goes into battle he is always heavily backed. There are no rules against betting in the navy. A ship's crew will go behind one of its own members to the limit whether he has a chance of winning or not. They bet through loyalty—not judgement. When the two Michigan boxers both won in New York recently the Wyoming sailors had enough money to light Broadway from one end to the other for a couple of nights.

# SENIORS TO EXPOSE THE R.H.S. FOLLIES

Class Play at Graham Annex Next Tuesday Night is Expected to be Very Entertaining.

TICKET SALE OPENS MONDAY

There will be seven big acts and the music, jokes, and local hits will be most pleasing and entertaining. The cast has been working night and day to perfect a "good show" and they believe they have something distinctive and well worth the attendance of the whole community.

Red Cross Ball Blue, all blue, best bluing values in the world, makes the laundress smile.

# NEW MEN IN LINEUP FOR GAME SUNDAY

Hewitt Will Pitch and Deitrich Will Play Short—Real Test For Rushers Expected.

BOTH HIGHLY RECOMMENDED

The game tomorrow with the Blue Licks promises to be a real test for the Rushers. The fans will have the first opportunity of seeing the new men secured by the Rushers in action. The new pitcher, Hewitt will work tomorrow and Deitrich, the short stop, who will take Hasselbacks place will be in the lineup. Bill Brietenstein will be seen in right field in place of Lefty Geyer.

In getting the new men the aim has been to improve the hitting as well as the fielding of the team. Manager Davidson believes that the new men should deliver the goods and that the Rushers will be set for the rest of the season. The Blue Licks, have beaten some of the best teams in Cincinnati this year. The All-Pros were easily beaten by the aggregation of ball players. It will be recalled that the All-Pros defeated the Rushers and if the Blue Licks are strong enough to beat the All-Pros, they surely will give the Rushers a battle. The game will be called at 2:30 and Jack England will umpire.

# COACH DEVISES NEW SPEED METHOD

Runners Are Tied on to Automobiles And Forced to go The Limit—Some Pace Maker

WHIPPET HOUNDS ALSO USED

(By United Press.)  
Bloomington, May 22.—Out on Jordan field at Indiana University this afternoon a yellow semi-racing automobile was speeding around the running track with the two thinly clad track-men in tow. Starting out slowly the driver of the auto gradually increased his speed until the runners sped at their fastest clip. This is the method that Clarence C. Childs, Indiana's track coach has devised to speed up his runners.

Some time ago Childs used Whippet hounds as pace makers, and found the experiment worked well. His next move was to install a phonograph in the track auto and work out the athletes to the tune of lively dance music. He said today he believed his new experiment would prove as profitable as the others.

# DOUBLE BILL AT INDIANA

Baseball And Track Meet Main Events at Bloomington.

(By United Press.)  
Bloomington, Ind., May 22.—A double athletic bill was offered on Jordan field at Indiana University today when the Crimson met Ohio State in baseball and the Indianapolis Y. M. C. A. in track. Ohio stands second in the conference baseball race and Indiana is at the bottom. Coach Berndt's nine appeared to have little chance to win. In the track meet Indiana was expected to win by a good margin.

## UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

ed, the Times says, that he was on the road for a few days and that he had unexpectedly become short of cash. He asked Miss Gronendyke to cash a check for him or endorse him at the bank.

Ward then drew a check on the First National Bank of LaPorte for twenty dollars, payable to Miss Gronendyke, who endorsed the same, and it was cashed by the Central Trust Company, of Newcastle. The check never reached LaPorte, however, being stopped at Indianapolis, and the Central Trust was notified from there that many similar checks were afloat, and none of them paid. In order to avoid the expense of protest fees, the Central Trust directed that this particular check be not forwarded to the bank on which it was drawn.

# OVER 100 KILLED IN WRECK OF 3 TRAINS

Troop Train Crashes Into Debris of Two Others Which Had Been Wrecked Near Gretna, Eng.

## DEAD LYING IN ROWS IN FIELD

(By United Press.)

Carlisle, Eng., May 22.—Reports received here early this afternoon indicated that more than one hundred persons may have been crushed or burned to death in the wreck of three passenger trains on the Caladonian railway near Gretna today.

Two trains collided and the third, a troop train, crashed into the wreck before warning signals were set up. Of 500 soldiers on the troop train, only 52 answered a roll call after the wreck. Some of the soldiers were said to be absent aiding the injured, but the majority were believed to have been killed or injured.

Gretna's one hospital was quickly filled with injured and scores of soldiers and civilians crushed or burned, were laid in rows in the field at the edge of the village where they were attended by civilians. The Carlisle fire department was hurried to Gretna but the wreckage was in ashes when it arrived. A number of bodies can be seen in the smoking debris.

# COMPELLED TO TAKE VACATION

Four Thousand Employees of United States Will Take Enforced Furlough Due to Lack of Funds.

## CONGRESS GETS THE BLAME

Assistant Secretary of Treasury Says he Did Not Get Large Enough Appropriation.

Washington, May 22.—This week Washington and the country have been treated to another demonstration of Democratic methods in running the business of the Government.

An order of the Treasury Department, just issued, compels more than 4,000 employees, Custodians' Corps, to take an enforced furlough of eight days without pay, between now and the first of July because there is no money to pay them.

This order will affect 4,575 persons; and by far the larger part of them are women, who earn their living by mopping floors and cleaning rooms in the Federal buildings in 896 cities scattered all over the country. These women earn about \$30 a month, and the loss of eight days' pay will be a grievous hardship to them. Some men also are affected by this involuntary vacation, the highest paid of them being the Chief of the Custodian Department at New York, who receives a salary of \$2,800 a year.

The order bears the signature of Assistant Secretary Byron Newton, who says, by way of explanation, that Congress is to blame. He asked the Democrats at the Capitol to give him \$2,800,000 for this work and they gave him only \$2,650,000.

It is suggested here that Democrats have never regarded cleanliness as next to godliness and that their failure to appropriate money for scrubbing floors is in line with ancient party tradition. But it is equally significant that the Treasury Department, regardless of Congressional action, seems to have plenty of money to hire expensive lawyers to defend John Skelton Williams against the lawsuit instituted by the Riggs bank. Messrs Brandies and Undermyer are reported to be getting \$10,000 fees for their services in this case. The motto of the Treasury Department evidently is: Thousands for defense but not a cent for decency.

# DOESN'T ADMIT ANYTHING

John D. Rockefeller, Jr., Still Before Industrial Commission.

(By United Press.)

Washington, May 22.—Chairman Walsh of the industrial relations commission strove for hours today to make John D. Rockefeller, Jr., admit that it was his business policy to avoid direct touch with anything disagreeable; that the witness made no suggestions concerning the Colorado strike except indirectly and that his method was the same whenever he took a hand in the affairs of a concern his family is interested in.

Rockefeller would not admit this but Walsh's manner indicated that he considered the evidence tended to substantiate his expressed theory.

INCREASE WILL  
BE OVER MILLIONAdded Appraised Value of Taxables  
In Rush County This Year Will  
Run Into Seven Figures

## A DECREASE IN TWO TOWNS

With All But Two Townships Re-  
porting, Increase Now Amounts  
To \$910,565—Average \$82,769

With the reports of all but two township assessors in the hands of the county auditor, it is revealed that the increase in the appraised value of real estate and personal property in Rush county this year will amount to over one million dollars.

The assessors of Posey and Noble townships have not yet made their reports. In all but Carthage and Glenwood, a big increase in the taxables is noted. The total added value in the ten townships in which reports have been made—excluding Carthage and Glenwood and including Rushville—is \$910,565.

Since the average increase in taxables, as compared to last year, in ten townships and the city of Rushville, on which there are reports at hand, amounts to approximately \$82,769 for each township and corporation, it is plainly the case that if the two townships out hold up to the average, that the increase will run over a million dollars.

On the other hand, the decrease in appraised values in Glenwood and Carthage amounted to only \$7,335—\$4,905 in Carthage and \$2,430 in Glenwood. This loss is not great enough to offset the increase to any appreciable amount.

The assessors were instructed to make an advance of ten per cent in real estate and in all the townships, with the noted exceptions, this has been followed. The total taxables by townships and corporations follow.

GRANTS ONE AND  
REFUSES ANOTHERJudge Sparks Hears Two Divorce  
Cases in Court Today, Taking  
Different Action in Each.

## CLARA B. FLOYD GETS DECREE

Judge Sparks granted one divorce today and refused another. Bertha M. Smith was refused a divorce from Walter S. Smith. The court found for the defendant and taxed the costs against the plaintiff. They are residents of Walker township and on the day that the case was heard the court intimated that divorce would likely be refused unless more evidence was before the court.

Clara B. Floyd was granted a divorce from William A. Floyd and given the custody of their three children. Mrs. Floyd alleged cruel and inhuman treatment and failure to provide. She testified that her husband would remain away from home many nights at a time and would walk the streets most of the nights. He also objected to her going to church. She stated he would give her no satisfactory reason as to why he would remain out at night. The decree was to be entered upon payment of the costs.

TWO ROUTES PICKED  
FOR DIXIE HIGHWAYCompromise Announced by Commis-  
sion Whereby Both Cincinnati  
and Louisville Win.

## SOME CHANCE FOR RUSHVILLE

(By United Press.)  
Chattanooga, Tenn., May 22.—The Dixie highway will run from Indiana to Chattanooga by two routes, one through Cincinnati and the other through Louisville. The northern route is not yet decided. This was the compromise announcement of the fourteen Dixie highway commissioners this afternoon.

It was predicted that Carl Fisher who is advocating a direct route between Miami and South Bend, would lose his fight because of many influences brought to bear. Fisher declared that the delegates were building political fences instead of roads, and he threatened to withdraw.

The wording of the above dispatch indicates that Rushville has a chance at the Dixie highway, since one route will be by Cincinnati. Two routes from Cincinnati to Indianapolis have been proposed, one by way of Rushville and Brookville and the other by way of Shelbyville and Greensburg.

HOSPITALITY  
NOT LACKINGVisiting Sixth District Club Women  
Pleased With Entertainment  
Afforded Them Here.

## RESOLUTIONS SOUND PRAISES

Recommend Formation of More Ci-  
vic, Literary, Home Economics  
and Mothers' Clubs.

The last of the club women here for the eight annual meeting of the Sixth District Federation of Women's clubs departed for their homes yesterday evening and this morning thoroughly pleased with the entertainment of the Rushville club women and satisfied that there was no hospitality lacking here.

The resolutions adopted here before closing yesterday afternoon expressed in highest terms the appreciation of the visitors for the entertainment accorded them, praised the new high school building and all persons who had contributed their share to make the convention a great success.

There is no doubt in the minds of those who managed the convention that the bad weather kept at least a hundred visitors away. Any number of women sent word that it would be impossible to come because of the rain. It is known that many automobile parties from surrounding counties did not attend the last day for that reason.

Much of the credit for successfully managing the convention arrangements is given to Mrs. Guy Abercrombie, the county chairman. She, with the aid of efficient committees, arranged for the entertainment of the guests, and not one fault was to be found by anyone. Mrs. Abercrombie said yesterday that she appreciated the efforts of everyone because in no case did persons who had promised machines and who had agreed to entertain guests fail to keep their promise when the time came.

The resolutions adopted by a unanimous vote just before final adjournment yesterday afternoon were as follows:

"We, the members of the Sixth District Federation of Clubs, assembled in Rushville May 20—21, 1915, submit the following:

"Resolved that we recommend the organization of more Mother's Clubs, Parents—teachers associations, home economics, literary, civic and musical clubs.

"Resolved that we more faithfully support our chairman by carefully and promptly replying when asked for data relating to club activities, and that we will earnestly and enthusiastically co-operate with our leader.

"Resolved that we use our influence in our own home counties, so that more members may be obtained for this federation.

"Resolved that we work for a more sane Easter, Memorial Day and Fourth of July.

"Resolved that the women of the sixth district sincerely deplore the fact of the temporary set-back of the suffrage movement in our last legislature owing to the machinations of politicians, and that we are determined to triumph eventually.

"Resolved that we care for our advanced Housing bill and not allow it to be weakened or qualified by future legislation.

"Resolved that we so far as possible conserve the natural beauty of our own neighborhoods.

"Resolved that we encourage the advance of the work among the blind of our district and so far as possible.

LOCAL INTEREST  
IN BRAZIL CASEPublic Service Commission Gives  
Municipal Plant Water Rate  
Lower Than One Asked Here.

## MAKES OFFICIALS THINK

Also Holds City May Pay For Water  
Extensions Instead of Con-  
sumer, as Done Here.

An order issued yesterday by the Public Service Commission providing for a reduction in water rates now charged by the city of Brazil is of interest here in that Rushville has a petition pending before the commission asking for an increase in water rates.

The rate granted Brazil is lower than that asked by the city. The Brazil case is the first municipal utility to be passed upon by the Public Service Commission, and in lowering the rate, officials here today were wondering just what show Rushville had of getting an increased rate.

Under the new schedule of rates given to Brazil, the average makes about \$1.68 a thousand cubic feet. In the petition filed by the City of Rushville the rate is asked to be increased from \$1.50 a thousand cubic feet to \$1.85 a thousand cubic feet. The old rate in Brazil was from five cents to twenty cents, ranging according to the maximum of water used.

The ruling in the Brazil case states that the city is not longer to receive free water, though taxes have been raised to help defray the expenses of the plant. The commission ruled that the city must pay a definite sum from its general fund just the same as a private consumer. The commission fixed \$41.80 as the yearly price the city must pay for each fire hydrant.

This will in no way effect Rushville as this system has been followed ever since the present administration came in power. In the monthly report of Superintendent Mahin the city is charged with so many fire hydrants at the rate of \$48 a year. Everything used by the city is charged just as though it were a private consumer and in this way the money is transferred from one fund to the other. Of course, the city does not actually pay out the money but gives the plant credit for earning this amount.

In the Brazil case the commission held that all public, private and Parochial schools, churches, court house and jail should get water through meter but agreed to let the flat rates stand providing the city was willing. This part of the commission's order has already been put in force here as the jail, court house and other public buildings have all been equipped with water meters.

One ruling in the Brazil case will hit Rushville. This is in regard to the city paying for all water extensions. In Rushville here of late the consumers have been compelled to pay for water extensions and water taps.

## ARRESTED IN GREENSBURG.

Charles Land, of Milroy, when ordered to go on home by a policeman in Greensburg Thursday night, wanted to argue the matter with the officer and was arrested. He was fined one dollar and costs yesterday amounting in all to \$12. Land stated to the Mayor of Greensburg that he bought his booze of a man on the streets but had a poor memory and could not recall the man's name.

Jethro Meek, brother of Mrs. A. C. Brown, of this city is seriously ill with erysipelas at his home in Greensburg.

## BARNES WILL APPEAL CASE

Will Take Libel Case to Higher  
Court, he Says Today.

(By United Press.)

New York, May 22.—William Barnes will appeal from the Syracuse decision in his libel suit against Theodore Roosevelt. His attorneys today issued a statement to that effect.

"The knowledge of the complete rectitude of my conduct must content me—which after all is the most important thing in life," so declared a formal statement from Barnes today.

42 HOURS TO DECIDE  
BARNES IS A "BOSS"Jury Finally Returns Verdict in Libel  
Suit Today, Finding For Colo-  
nel Roosevelt.

## DECISION BIG SURPRISE

(By United Press.)

Syracuse, N. Y.,—William Barnes is a "boss." A jury so declared today in awarding a verdict for Colonel Roosevelt in the \$50,000 libel suit brought against the former president by Barnes because Roosevelt branded him a "boss" and linked politically with crooked business and corruption.

The verdict was brought in shortly after 10 a. m. today. The jury had been deliberating since 3:45 p. m. Thursday—about forty-two hours. The twelve men finally arrived at a unanimous decision after a legal mix-up almost unparalleled in the history of New York state.

The verdict was a blow to Barnes, and a complete surprise to Colonel Roosevelt. It was the common belief around the court room that the jury would report failure to agree and be discharged by Justice Andrews today. The foreman's announcement struck the Barnes camp a stunning blow.

The colonel could not restrain his joy. He made a short speech to the jurors, expressing his thanks and then posed for a picture taken in the jury room.

DECLARATION MAY  
BE MADE BY NIGHTKing Emanuel Begins Preparation of  
Document Which is Believed a  
War Proclamation.

## WILL INVITE PEOPLE TO HELP

(By United Press.)

Rome, May 22.—Italy's war declaration will go flashing on its way to Vienna before night, according to a well defined rumor credited in diplomatic circles today.

The king called in his private secretary and began preparing a document to be addressed to the people of Italy. It was believed the document will be a proclamation of war signed by every member of the cabinet explaining how Italy was compelled to resort to arms in order to safeguard her national honor and integrity.

The royal proclamation will invite the people of Italy to perform their duty in the national crisis and to make all possible sacrifices to insure victory.

King Victor Emanuel this afternoon attached his seal to the bill passed by both chambers of parliament giving the government full power to act.

IMPOSED ON A  
RUSHVILLE MANChester C. Ward, who is under Ar-  
rest at Crawfordsville, Filched  
\$20 From Local Friend.

## DUPES FRATERNITY BROTHERS

Also Finds Old Indiana University  
Acquaintance at Newcastle And  
Serves Her Same Way

That a prominent Rushville man was one of the dupes of Chester C. Ward, a Sigma Chi at Indiana university, who used his membership in the fraternity to get into the good graces of prominent persons in several cities in Indiana, was learned today.

Ward has been arrested at Crawfordsville. His home is in LaPorte and he is said to have come from an excellent family. Investigation today proved that Rushville banks had received a warning from the Indiana State Bankers association warning them to be on the lookout for Ward, who is described as being 24 years of age; five feet, ten inches high; weight 150 pounds; smooth face; brown hair.

The name of the Rushville man who cashed a check for twenty dollars for Ward was not disclosed, but if ten guesses were allowed, it would not take long to name the right man, it is said.

Ward was arrested at the Sigma Chi fraternity house of the Wabash college chapter at Crawfordsville on the charge of obtaining money under false pretenses. It is said that he has been missing from his home for three months. Many checks have been returned to the LaPorte National bank, and until lately, dispatches say, Ward's mother has been making the checks good.

It was stated today that the Rushville friend had charged the \$20 up on the expense side of the ledger and "closed the account," and that he did not care to have his name mentioned in connection with the transaction.

It seems that \$20 was a favorite sum for Ward to filch from his newly made friends. He not only imposed on fraternity brothers, but on old acquaintances as well. He was a Sigma Chi, it seems, at Indiana university, and there became acquainted with Miss Edith Gronendyke, of Newcastle, a young woman who is well known here.

Ward just "happened" into Newcastle last Saturday and paid Miss Gronendyke a friendly visit. They chatted of old times at I.U. until Ward broached the subject of cash, according to the story as repeated in the Newcastle Times. Ward explained.

## DECISION MAY AFFECT CASES

Supreme Court Asked to Pass On Question of Suspending Sentences Indefinitely

### WRIT AGAINST KILLETTS

Would Compel Federal Judge to Execute Sentence—Several Before Judge Anderson

(By United Press.)

Indianapolis, May 22.—Attorneys here viewed with interest the action of the Solicitor General in Washington asking for the supreme court for a writ of mandamus against Judge Killetts of Toledo to compel him to execute a sentence he suspended indefinitely. The decision of the supreme court may effect many cases in Judge Anderson's court.

Recently the attorney general ruled that a federal judge may not suspend a sentence but must execute each one. It has been Judge Anderson's custom to suspend sentence under certain circumstances. The attorneys ruling came at a time best calculated to throw terror into the hearts of the scores of men under charges in federal court, for it came after the 88 Terre Haute conspirators had turned government evidence and pleaded guilty, and before the trial and the sentences.

The eighty-eighth conspirators pleaded guilty under the belief that most of them would draw suspended sentences. When the news was flashed to Terre Haute of the opinion of the attorney general these men were frightened. Some persons even went so far as to insinuate that the attorney general was not entirely in sympathy with the Terre Haute prosecution. It was considered possible that his ruling might handicap District Attorney Dailey in obtaining evidence.

Judge Anderson suspended sentence in a case soon after Attorney General ruled, and the conspirators breathed again. However when the conspirators came before Judge Anderson for sentence only one drew suspension.

#### RESOLUTIONS OF RESPECT.

The Ben Davis Creek C. W. B. M. Auxiliary has, by the hand of Providence, been bereft of one of its first and its oldest members, Mrs. Margaret Daubenspeck, and in view of the loss we have sustained, and the still greater loss of those nearest and dearest to her, therefore be it.

Resolved, That in her death our society is bereft of one who lived to bear the burdens of others, and so fulfilled the law of Christ; her words of cheer and her readiness to aid in the uplift of the gospel of Jesus Christ will ever be cherished by this society.

Resolved, That we bow in submission to the all wise Creator, knowing that our loss is her eternal gain. She has passed from this earthly life into that celestial home above, to be ever present with the Savior whom she loved and honored by her christian life.

Resolved, That a copy of these resolutions be placed upon our records and copies sent to the sorrowing ones.

Joseph Santley in a rollicking musical fantasy, employing a company of over seventy-five people, "All Over Town" will come to the Murat for four performances only, Monday, Tuesday and Wednesday May 24, 25, 26 with popular matinee Wednesday.

"All Over Town" is in two acts and nine scenes and is presented under the auspices of the Shubert Theatrical Company. The book of the piece is by Santley, the lyrics by Harry B. Smith and the music by Silvio Hein. Mr. Smith and Mr. Hein have provided twenty-two musical numbers for "All Over Town." The piece has been staged by J. C. Huffman, the dances arranged by Jack Mason, of the Winter Garden, New York, and the costumes designed by Melville Ellis.

Mr. Santley's first appearance in a musical play was in support of De Wolf Hopper in "A Matinee Idol." On account of his delightful personality excellent singing voice and great ability as a dancer he won instant success. He then appeared with Lew Fields in "The Never Nones" and in the run of "A Modern Eve." He then became the star of "When Dreams Come True," which enjoyed three years of unusual prosperity. Previous to his appearance in musical comedy Mr. Santley was the idol of melodrama, appearing in such thrillers as "From Rags to Riches," and "Billy the Kid." He has been on the stage since he was six years of age and at nine was billed as "The Greatest Boy Actor in the World." That Mr. Stanley was able to live down his terrible past was greatly to his favor.

It is a big and important company which will support him in "All Over Town." The leading comedians are Walter Jones and Roy Atwell. Other important members of the cast are Marie Flynn, Beatrice Allen, Blanche Deyo, Richard Tabor, Ruth Randall, Saranoff, Lillian Lee, Williams and Wolfus, Dorothy Young and Charles Morgan. "All Over Town" is described as being "rollicking rhapsody of fun and frolic, with a drove of delectable dancing divinities."

**SNOWED 32 YEARS AGO.**  
There was about twelve inches of snow on the ground just thirty-two years ago today. Many older residents of the city recall that on May 21, 1883 a heavy snow fell and astonished the people of the city just as much as it would now were a heavy snow to fall today. The fruit and garden truck were farther advanced than now, but they were not advanced to any great extent because the snow melted in a day.

## Society News

The Boor home on South Eleventh street was the scene of one of the prettiest parties of the season Thursday evening, when Mr. and Mrs. Boor entertained for Mr. and Mrs. Jess Pugh of Rushville, says the Newcastle Courier. The rooms were lavishly decorated with all kinds of summer flowers. Five hundred was played during the evening, Mrs. Jess Pugh

and Mr. Clark Stough receiving the prizes. In conclusion to the delightful evening of cards a most delicious lunch was served.

For the remainder of the evening Mr. and Mrs. Pugh furnished the entertainment. Mr. Pugh is well known to Newcastle people having appeared here several times before.

**Wilson Displeased.**  
 The President has refused to furnish the Industrial Relations Commission with the correspondence which he had with Governor Ammons of Colorado regarding the strike in the coal regions of that state; and it is hinted that Mr. Wilson is seriously displeased with the farcical very effective result. Chairman Walsh has carried on the work of the Commission.  
 It is doubtful however, if the presidential displeasure will reach any very effective result. Chairman Walsh long ago demonstrated his unfitness for the place which he occupies and he already has heavily discounted any conclusions which the Commission may report by his constant habit of prejudging the testimony of witnesses whom he has summoned to appear. The complaints against the Commission's procedure have been numerous, and some that have reached the White House have come from sources which may not be readily ignored. The President is known, however, to take a keen interest in the Commission's personnel and it is most unlikely that he will resort to the obvious method of disciplining Walsh by the abolishment of the board. Walsh has a brother who is Senator from Montana, and the ex-

perience with the ship purchase bill shows that the White House cannot afford to alienate the support of any more senators on the Democratic side of the chamber.

## HOSPITALITY NOT LACKING

Continued from Page 1.  
 possible give hearty co-operation.  
 "Resolved that we unite in sincere thanks to the club women of Rush county for the generous hospitality of their homes and for the use of high type of school structure, beautiful in design, commodious, convenient and thoroughly up-to-date in all matters pertaining to the health, comfort and well being of the rising generation who will reap rich benefits from it. Also for the bountiful luncheon served by the women of the Methodist and Christian churches, the tea at the home of Mrs. James E. Watson, and for the exquisite music, both vocal and instrumental, the readings by Miss Frazee and all who contributed in any way to the success of the program.  
 "Resolved that we thank the men of Rushville for the use of their automobiles to and from the meetings.  
 "Resolved that we thank Mrs. Watson for opening her beautiful home for our pleasure; also those who so graciously assisted her in entertaining her guests and dispensing her hospitalities.  
 "Resolved that we extend our thanks to our state president, Miss Newsom, and that we again are glad to be greeted by our beloved Mrs. McWhirter.  
 "Resolved that we thank Mrs. George E. Mullin for expressing what is in our hearts in her beautiful memorial to Mrs. Angie Hamilton.  
 "Resolved that we vote this federation the best of all and lastly thank our officers, Mrs. T. B. Henley, chairman and Mrs. O. L. Stivers, secretary-treasurer, and Mrs. Guy Abercrombie, chairman of Rush county, for all their labor in making this the successful meeting it has been."  
 Clara Macy Egan of Liberty and Josephine McKee of Newcastle were the members of the resolutions committee.  
 Mrs. W. W. Thornton, of Indianapolis, head of the public nursing work in Indiana, spoke yesterday afternoon just before adjournment. She urged visiting nurses not only for towns and cities, but for the rural communities as well. If there is none in any given place, she said, two or more women's clubs might combine and procure a visiting nurse. She said any two towns, as, for instance, Rushville and Carthage, with a rural community in between, might co-operate in employing a rural nurse.  
 Mrs. E. K. Montgomery, of Shelbyville, chairman of the state federation committee on work for the blind, urged district organizations in the work.  
 She asked that the club women co-operate with the legislature in securing legislation for blind. The sixth district federation went on record as indorsing the movement to help relieve the conditions of the blind and

build a home for the adult blind in the state. One hundred and twenty-eight women arose when they were asked to pledge their moral and financial support.

The memorial was voted for Mrs. J. M. Hamilton, deceased, twice sixth district, chairman and holding that office when she died last February. The proposal was made by Mrs. Frank Craft of Liberty yesterday morning and not acted on until the afternoon. It requires the contribution by each federated club woman of five cents to make up \$100 to place Mrs. Hamilton's name on the founders' list.

Miss Blanch Foster who covered the meeting for the Indianapolis News and who has a distinguished part in women's club work in Indiana in the last few years, spoke briefly of the Women's Press Club, a comparatively new organization, and of the Women's Legislative Council, with which work she is intimately acquainted. Miss Foster said the newspaper men were not sufficiently interested in women's clubs' work and that their attention should be attracted.

"The Indiana Women's Legislative Council did not accomplish anything in the last legislature," said Miss Foster, "but they paved the way for next year."

She asserted that it required the liquor power in the state to crush the woman's movement in the legislature. Miss Foster was elected first vice-president of the organization formed at the recent non-partisan newspaper conference at Bloomington.

Mrs. Felix McWhirter extended an earnest invitation to the sixth district club women to attend the next annual meeting of the state federation.

There were some excellent musical numbers on the program yesterday. "The Feast of the Little Lanterns," which was given by the Rushville Musical society yesterday afternoon, was most thoroughly enjoyed and loudly applauded. Yesterday morning Miss Jessie Kitchen and Miss Norma Smith played a piano duo and Miss Leona Thomas of Arlington played a violin solo. Mrs. Veri Bebout acting as accompanist. Miss Helen Gause, of Carthage, who was on the program for a solo, was unable to be present and Mrs. Derby Green of this city, sang in her place. Mrs. D. H. Dean acting as accompanist.

There were just two hundred registered. Every woman attending from outside of Rushville was asked to register, and the delegates from the three Rushville federated clubs also placed their names on the registry. The complete registration is as follows:

Mrs. A. Walters, of Richmond; Mrs. Birely, Miss Eva Wingate, Mrs. O. V. Headlee, Mrs. C. W. Calvert, Mrs. T. B. **Selling Is MORE than Trading Stock for Money!**  
 Selling is part of the scheme of business. Most anyone can sell once, but selling so you can create permanent customers is selling successfully. That is why we carry the large stock of buggies we have on our sample floor for prospective customers or purchasers to make their selections from. They don't have to take something they don't want, as we carry every style of buggy that there is a demand for. Then after the customer has made his selection from our stock we tell him exactly what the buggy is and it has to be just as we represent it or we make it that way. The customer takes no chances. He is sure to get just what he pays for. ONE sale reduces itself to a confidence game unless the buyer is perfectly satisfied. Satisfaction sends a customer away with a smile that won't come off. That is why our buggy business has grown. We have found out how to hold customers after we get them and every satisfied customer is bound to bring a new customer sooner or later. Right now our stock of buggies is complete and if you are needing a buggy come in and make your selection. We have the style you want and we would be glad to have you for one of our satisfied customers. We know you will be glad when you give us your vehicle business, so do it now.

"Several years ago I called on Lane & Evans to buy a pump and they almost forced me to buy one of your Fig. 28 Red Jacket Double-Acting Force Pumps and fifty feet of hose when I only intended to buy a cheap set length pump. Mr. Lane put up such strong argument on 'fire protection' that I followed his advice and bought the Fig. 28, little thinking that it would be of any service to me in that respect.

Shortly after the pump was installed, my barn caught fire and had it not been for this pump and hose and the thoughtfulness of Mr. Barnett, my barn, house and all buildings on the place would have been destroyed."

## NAVY BOUTS ARE REAL THRILLERS

Two Championship Contests Recently Pulled Off in New York Were Some Fights

**MICHIGAN GOT WINNERS**

Battlers Are Forced to Defend Titles And Must do so on Thirty Day's Notice.

BY HAL SHERIDAN  
(Written for United Press.)  
New York, May 22.—Lawmakers planning to enact statutes permitting boxing would do well to pay a visit to the Atlantic fleet and learn how the little game fisticuffs is conducted in the navy. Boxing promoters who want to stage real fights also would do well to make similar trips. And Old General Public, if he wants to see a regular scrap, should look up the date of the next championship fight in the navy and engage himself a ringside seat. He'll see a fight that is a fight.

New York got a demonstration of boxing as it should be when the Atlantic fleet visited the Big Town recently. Two championships—feather and light heavyweight—were decided in one afternoon. Sam Taylor, of the Michigan, lambasted M. Davis of the New Hampshire, for the light heavyweight title. The Featherweight belt went to Dennis Whalen of the Michigan, who whipped Joe Fisher of the South Carolina.

There are many peculiar features about boxing in the navy. In the first place they are limited to six rounds. The rounds are of but two minutes duration instead of three as in most professional bouts in America. There are decisions but they are not given by the referee. Two judges—officers selected from other ships—sit at the ringside and decide upon the winner.

Championships are big things in the navy. They've got to fight or give up the title.

If more than one challenger appears on the horizon at the same time elimination bouts are held to determine who shall meet the champion. A regular belt goes with the championship in each class. In addition to this a \$50 purse is hung up at every fight.

When a champion or challenger goes into battle he is always heavily backed. There are no rules against betting in the navy. A ship's crew will go behind one of its own members to the limit whether he has a chance of winning or not. They bet through loyalty—not judgement. When the two Michigan boxers both won in New York recently the Wyoming sailors had enough money to light Broadway from one end to the other for a couple of nights.

## SENIORS TO EXPOSE THE R.H.S. FOLLIES

## NEW MEN IN LINEUP FOR GAME SUNDAY

Hewitt Will Pitch and Deitrich Will Play Short—Real Test For Rushers Expected.

**BOTH HIGHLY RECOMMENDED**

The game tomorrow with the Blue Licks promises to be a real test for the Rushers. The fans will have the first opportunity of seeing the new men secured by the Rushers in action. The new pitcher, Hewitt will work tomorrow and Deitrich, the short stop, who will take Hasselbacks place will be in the lineup. Bill Bristenstein will be seen in right field in place of Lefty Geyer.

In getting the new men the aim has been to improve the hitting as well as the fielding of the team. Manager Davidson believes that the new men should deliver the goods and that the Rushers will be set for the rest of the season. The Blue Licks, have beaten some of the best teams in Cincinnati this year. The All-Pros were easily beaten by the aggregation of ball players. It will be recalled that the All-Pros defeated the Rushers and if the Blue Licks are strong enough to beat the All-Pros, they surely will give the Rushers a battle. The game will be called at 2:30 and Jack England will umpire.

## COACH DEVISES NEW SPEED METHOD

Runners Are Tied on to Automobiles And Forced to go The Limit—Some Pace Maker

**WHIPPET HOUNDS ALSO USED**

(By United Press.)  
Bloomington, May 22.—Out on Jordan field at Indiana University this afternoon a yellow semi-racing automobile was speeding around the running track with the two thinly clad track-men in tow. Starting out slowly the driver of the auto gradually increased his speed until the runners sped at their fastest clip. This is the method that Clarence C. Childs, Indiana's track coach has devised to speed up his runners.

Some time ago Childs used Whippet hounds as pace makers, and found the experiment worked well. His next move was to install a phonograph in the track auto and work out the athletes to the tune of lively dance music. He said today he believed his new experiment would prove as profitable as the others.

## DOUBLE BILL AT INDIANA

Baseball And Track Meet Main Events at Bloomington.

(By United Press.)  
Bloomington, Ind., May 22.—A double athletic bill was offered on Jordan field at Indiana University today when the Crimson met Ohio State in baseball and the Indianapolis Y. M. C. A. in track. Ohio stands second in the conference baseball race and Indiana is at the bottom. Coach Berndt's nine appeared to have little chance to win. In the track meet Indiana was expected to win by a good margin.

## UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as practical designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte. **J. B. SCHRICHTE SONS MONUMENTS** 117-121 S. MAIN ST.

ed, the Times says, that he was on the road for a few days and that he had unexpectedly become short of cash. He asked Miss Gronendyke to cash a check for him or endorse him at the bank.

Ward then drew a check on the First National Bank of LaPorte for twenty dollars, payable to Miss Gronendyke, who endorsed the same, and it was cashed by the Central Trust Company, of Newcastle. The check never reached LaPorte, however, being stopped at Indianapolis, and the Central Trust was notified from there that many similar checks were afloat, and none of them paid. In order to avoid the expense of protest fees, the Central Trust directed that this particular check be not forwarded to the bank on which it was drawn.

# OVER 100 KILLED IN WRECK OF 3 TRAINS

Troop Train Crashes Into Debris of Two Others Which Had Been Wrecked Near Gretna, Eng.

## DEAD LYING IN ROWS IN FIELD

(By United Press.) Carlisle, Eng., May 22.—Reports received here early this afternoon indicated that more than one hundred persons may have been crushed or burned to death in the wreck of three passenger trains on the Caladonian railway near Gretna today.

Two trains collided and the third, a troop train, crashed into the wreck before warning signals were set up. Of 500 soldiers on the troop train, only 52 answered a roll call after the wreck. Some of the soldiers were said to be absent aiding the injured, but the majority were believed to have been killed or injured.

Gretna's one hospital was quickly filled with injured and scores of soldiers and civilians crushed or burned, were laid in rows in the field at the edge of the village where they were attended by civilians. The Carlisle fire department was hurried to Gretna but the wreckage was in ashes when it arrived. A number of bodies can be seen in the smoking debris.

# COMPELLED TO TAKE VACATION

Four Thousand Employees of United States Will Take Enforced Furlough Due to Lack of Funds.

## CONGRESS GETS THE BLAME

Assistant Secretary of Treasury Says he Did Not Get Large Enough Appropriation.

Washington, May 22.—This week Washington and the country have been treated to another demonstration of Democratic methods in running the business of the Government.

An order of the Treasury Department, just issued, compels more than 4,000 employees, Custodians' Corps, to take an enforced furlough of eight days without pay, between now and the first of July because there is no money to pay them.

This order will affect 4,575 persons; and by far the larger part of them are women, who earn their living by mopping floors and cleaning rooms in the Federal buildings in 896 cities scattered all over the country. These women earn about \$30 a month, and the loss of eight days' pay will be a grievous hardship to them. Some men also are affected by this involuntary vacation, the highest paid of them being the Chief of the Custodian Department at New York, who receives a salary of \$2,800 a year.

The order bears the signature of Assistant Secretary Byron Newton, who says, by way of explanation, that Congress is to blame. He asked the Democrats at the Capitol to give him \$2,800,000 for this work and they gave him only \$2,650,000.

It is suggested here that Democrats have never regarded cleanliness as next to godliness and that their failure to appropriate money for scrubbing floors is in line with ancient party tradition. But it is equally significant that the Treasury Department, regardless of Congressional action, seems to have plenty of money to hire expensive lawyers to defend John Skelton Williams against the lawsuit instituted by the Riggs bank. Messrs Brandies and Undermyer are reported to be getting \$10,000 fees for their services in this case. The motto of the Treasury Department evidently is: Thousands for defense but not a cent for decency.

# DOESN'T ADMIT ANYTHING

John D. Rockefeller, Jr., Still Before Industrial Commission.

(By United Press.) Washington, May 22.—Chairman Walsh of the industrial relations commission strove for hours today to make John D. Rockefeller, Jr., admit that it was his business policy to avoid direct touch with anything disagreeable; that, the witness made no suggestions concerning the Colorado strike except indirectly and that his method was the same whenever he took a hand in the affairs of a concern his family is interested in.

Rockefeller would not admit this but Walsh's manner indicated that he considered the evidence tended to substantiate his expressed theory.

## GERMANS CEASE ATTACKS.
